How it works!

We seek to bridge the trade gap within the automotive to enhance services of various stakeholder.

WWW.GHCARPART.COM – provides the trade interface for both dealers of vehicle parts, their prospective clients and the general public to reduce the stress in finding parts to buy while opening up more market opportunities for various vehicle part dealers to grow their businesses.

- This is a virtual marketplace where dealers simply register to showcase their products and services.
- Buyers on the other hand will search and find the exact vehicle part they need
- Payment of the required item is made and held by the platform until buyer has received and confirm item
- Dealer then receives their payment less service charges

WE PROTECT THE DEALER'S BUSINESS AND ENSURE THE SATISFACTION OF THE CUSTOMER
